

Krista Juarez's Biography

Krista Brinselle B. Juarez. I have quite a long name, but I'm used to being called "Krista". I was born and raised in San Mateo, Rizal where I was cared for by my maternal grandparents. I went to school at St. Scholastica's Academy of Marikina in grade school and I went to Stella Maris College in high school. I grew up serving the CFC Youth for Christ and served as a Chapter Leader during my last year in the Philippines. Then I moved to Las Vegas, Nevada where I stayed with my dad and his family. Then I moved to Clarkston, Washington to go to Walla Walla Community College where I received my Associates Degree in Nursing. I have been a nurse for 10 years and I am currently working at the Neuroscience department at Harborview Medical Center. I plan on pursuing my Bachelors and eventually Master's Degree in Nursing.

I enjoy meeting new people and serving in the Filipino Community. In my spare time, I love hosting themed parties for friends and family, exploring new skills that bring out my creative side and traveling with the love of my life, Fred.

I'm currently serving as PNAOW's Vice-President but I am hoping to serve as your next President. My mission as a President is to strengthen and nurture PNAOW's foundation (as I believe that members are the foundation of the organization). My mission is to also inspire new leaders. My dream for PNAOW is to see it expand into other cities in Oregon and Washington with active representatives from each hospital, as well as attract more young members. I look forward to learning, having fun, and introducing new ideas for the betterment of PNAOW in serving our community.
